

Futurist & Trendscout

Carina Stöttner

Carina Stöttner's life revolves around tomorrow on a daily basis: as a futurologist, Carina Stöttner is concerned with how our world will be shaped in 10 years' time. Together with Themis Foresight, she pursues the mission of inspiring companies with her understanding of the future so that they can seize the opportunities of market-shaping technologies and thus help shape the future of the European and global economy. This business think tank conducts research for and advises companies on a wide range of future issues. A sociologist and media scientist by choice, Carina lives and works in a wide variety of...
