

Zeitgeist Expert

Kirstine Fratz

Kirstine Fratz: "You've never seen the world like this before!" Zeitgeist Research is the new luxury in thinking. A treasure map for survival in the 21st century. Kirstine Fratz is Germany's best-known Zeitgeist researcher. She has made a spectacular discovery on how to think about time, spirit, future and economy in a new and vital way. The cultural scientist and Zeitgeist researcher has decoded the hidden power of Zeitgeist and knows how to apply it successfully to businesses. New thinking for a new time Zeitgeist is not a moody phenomenon of trends and fashions, but the most powerful and creative...
