

Expert for strategic communication, Art Director & Author

Frank Asmus

Frank Asmus is a studied director, top executive coach and author. He is an expert in leadership and strategic communication. His clients are corporate boards, CEOs, entrepreneurs, marketing and sales teams, but also top politicians, world-class researchers and Olympic champions. Frank Asmus works for leading global brands, numerous DAX corporations, many hidden champions and well-known start-ups. He is the keynote coach in Europe and has developed over 300 keynotes in the last two years. With convincing pitch presentations, he succeeded in bringing the most important start-up investors to Germany. Focus called the expert for "leadership communication" the "master maker". Frank...
