

The Creative Chef - Food Artist

Jasper Udink ten Cate

Jasper Udink ten Cate is a well-known artist and designer from the Netherlands and founder of the multidisciplinary studio “Creative Chef”. All his works are related to food and are shown all over the world in exhibitions and museums such as Metropolitan New York and Beijing Design. When he founded the studio, Jasper dreamed of bringing his food to a museum. Jasper’s leadership style is that he likes to take action, and that’s what happened. Over the past 7 years, Jasper Udink ten Cate has begun to create an art form where there are no rules or boundaries. During his…
