# Steffi Jones

Steffi Jones is Germany’s most successful and best-known female soccer player and has achieved what only very few athletes have. Steffi Jones polarized with her withdrawal and her public and sharp criticism of the DFB. Criticism that was appropriate, but that no one dared to say out loud. The focus was on the club’s lack of gender equity and how it dealt with it. Steffi Jones said in interviews that she would rule out a return to the DFB as long as do Steffi Jones is clearly more than a soccer player and coach. She is a role model. Because…
