

Entrepreneur, Bestselling author, TV personality

Jochen Schweizer

Jochen Schweizer is a successful founder, entrepreneur and bestselling author. As a top speaker, the former stuntman provides important impulses on success, risk and resilience in his keynote speeches and masterclasses. He shows how to emerge stronger from crises and become the entrepreneur of your own life. He draws his knowledge from his own experience. He knows what he is talking about because he has experienced everything himself. As the founder of the brand of the same name – with the event location “Jochen Schweizer Arena” near Munich and over 3,000 other experiences – he is synonymous with the experience...
