

Entrepreneur, Bestselling author, TV personality

## Jochen Schweizer

Jochen Schweizer is a successful entrepreneur and bestselling author. As a top speaker, the former stuntman provides important impulses on success, risk and resilience in his keynotes. He shows how to emerge strengthened from crises and become the entrepreneur of your own life. He draws his knowledge from his own experience. He knows what he is talking about because he has experienced everything himself. As the founder of the brand of the same name, he – with the company event location “Jochen Schweizer Arena” near Munich and over 3000 other experiences – is synonymous with the experience like no other....
