

Expert for Story Marketing and Strategic Visibility

Christof Schmid

Christof Schmid inspires every audience with the power of the story. He shows in a vivid, entertaining and inspiring way how companies, self-employed people or managers can get to the heart of their unique story with a clear core message and thus create powerful images in people's minds. In this way, you too can become a storyteller with your service or product and your company. Would you like to learn more about the digitalisation of communication and current trends to make your company fit for the future? As a speaker, Christof Schmid brings sustainable impulses and inspiration to the stage...
