

Expert in Innovation, Management & Change

## Anja Förster

Anja Förster is a bestselling author, management consultant and founder of the Rebels at Work initiative. Her work focuses on the rules of tomorrow's economy. Saying goodbye to old guidebooks, familiar paths and well-trodden tracks. Her clients include leading national and international companies, associations and foundations. Her books can be found on bestseller lists and have been translated into many languages. Whether management or customer event, kick-off, congress, event or conference – Anja Förster's presentations motivate, blow through, move, clean up, question, inspire, challenge and recharge your batteries. Over the past 15 years, Anja Förster has given keynote speeches in...
