

Economist & Financial Expert

David Woo

David Woo is the Founder/CEO of David Woo Unbound, a new global forum devoted to promoting fact-based debates about markets, politics and economics. David's vision is to bridge the gap between Wall Street and Main Street by making his independent macro analysis and predictions accessible to all. Until 2021, David was the Head of Global Rates, Foreign Exchange, and Emerging Market Fixed Income Strategy & Economic Research at Bank of America, where he managed the top ranked global macro strategy team on Wall Street. Previously, David was the Head of Global Currency Strategy at Barclays Capital and the Head of...
