

Storm-tested crisis manager & kitesurfer - leadership coach & interim manager

Lisa Eckhardt

Lisa Eckhardt works where decisions cannot be postponed and conditions are changing noticeably. As a battle-hardened interim manager, she understands the dynamics of demanding organisations as well as the effects of uncertainty, change and high expectations. Her keynotes combine inspiration with clarity and practical ideas for effective action in turbulent times. They translate experiences from management and kitesurfing into a common model for orientation, responsibility and conscious control. A special focus is placed on women and their effectiveness in positions of responsibility. Lisa Eckhardt speaks openly about visibility, attitude and conscious decisions – without clichés or empowerment pathos, but with...
