

Storm-tested crisis manager & kitesurfer - leadership coach & interim manager

Lisa Eckhardt

Lisa Eckhardt is an interim manager, leadership coach and passionate kitesurfer. Renowned companies such as Porsche, Audi and Deutsche Post call on the expert precisely when things get really stormy. For more than 10 years, the business informatics graduate has accompanied companies on their successful way through small and large crises. Her keynote speeches are equally hard on the wind: Lisa Eckhardt is Nordic clear in her statements and exudes irrepressible motivation. Her desire to do is contagious. As a kitesurfer, she knows that the real fun only begins when others have long since stopped daring to enter the water....
