

Entrepreneur & Keynote Speaker for Generation Z

Paul von Preussen

As an entrepreneur and speaker for Generation Z, Paul Wilhelm Prinz von Preussen focuses on the areas of digital natives & young generation, change management, digitalization & social media for executives. Paul Wilhelm von Preussen is a company founder and direct descendant of the last German Emperor. He is passionate about fostering dialogue between generations and bringing experienced executives together with digital natives, i.e. digital native speakers, through innovative formats. Having grown up in a traditional family, he started a wide variety of digital projects at a major German bank at an early age and became a board officer at...
