

Moderator & Business Psychologist (M.Sc)

Claudia Bechstein

Claudia Bechstein is a moderator and business psychologist (M.Sc). She has been guiding people through online and live events for many years and works on hybrid event concepts in front of the camera. This includes the classic event formats, but of course also congresses, galas, press conferences, award ceremonies and online/TV productions. In selected subject areas she moderates panel discussions, talk rounds, expert interviews, startup pitches and Q+As. Claudia Bechstein as moderator for various event formats Business moderation Event and gala moderation Moderator for online and hybrid formats Moderator for conferences and panel discussions Claudia Bechstein mainly works in tech-oriented…
