

Expert for Self-leading teams, Expectation Management, Leadership & Communication

Bianca-Maria Klein

Bianca-Maria Klein: "I would like to see more real, courageous leaders and true role models who lead productive, responsible teams!" Bianca-Maria Klein can look back on a successful 20-year international career at companies such as Boston Scientific and has worked as a manager in marketing, sales and research. Bianca-Maria is also trained and certified in systemic team and solution-orientated executive coaching. As a certified keynote speaker with international training, she is a member of the German Speakers Association and Global Speakers Federation. After gaining professional experience in positions of responsibility in the international healthcare industry, she now works as a...
