

Leadership & Communication Skills Expert – Keynote Speaker, Coach & Trainer, Event Presenter & Facilitator

Annette Yashpon

Annette Yashpon is a trilingual Keynote Speaker at leadership summits, corporate events, and global conferences, as well as a Leadership Communication Coach & Trainer. She challenges the way leaders think about communication. As both an ICF Associate Certified Coach and Communication Skills Trainer, her approach works from the inside out — addressing the underlying drivers of behaviour, subconscious patterns, and internal limitations that shape leadership. She speaks openly about how organisations rarely fail because of strategy or vision alone, but because of gaps in leadership, influence, communication, alignment, and reactive decision-making: “Knowing what to do is very different from executing…
