

"The Pitch Professor", Serial Entrepreneur, University Lecturer, Expert for startups, innovation and digitalization

Daniel Cronin

Daniel Cronin lives innovation, startup, entrepreneurship and digitalisation and has been sharing his passion for it on international stages for more than 12 years. The serial founder, consultant, university lecturer, speaker, moderator and investor knows the facets and challenges that change processes bring with them like no other, as he has already experienced every perspective. As such, he is equally adept at communicating the very specific challenges that change and change processes bring in a language that is characterised by humour and expertise. He is convinced that the greatest ideas lie dormant in our heads and that every innovation begins...
