

TV Presenter, Event Host, Podcaster, Sports Scientist

## Julia Kleine

Julia Kleine, a former competitive athlete in the field of alpine skiing, was practically born with an interest in sports journalism by her father, who was himself a sports journalist. Instead of Maya the Bee, she preferred to watch World Championships, European Championships and Olympic Games on television as a child. Julia Kleine – Presenter for congresses, conferences, shows & other events Whether it's football, athletics or winter sports, Julia Kleine is virtually at home in every kind of sport. And so her career as a sports journalist was predetermined early on. Today's presenter, reporter, speaker, editor and podcaster with...
