

Criminal defence lawyer, Lawyer, Book author, Lecturer, Podcaster

Prof. Dr. Ingo Bott

Prof. h.c. (UT del Perú) Dr. Ingo Bott studied law and international law in Freiburg, Seville and Montevideo. During his studies, he worked at the Chair of Philosophy of Law of Andreas Voßkuhle and at the Max Planck Institute for Foreign and International Criminal Law. Afterwards, he was a research assistant at Werner Beulke's Chair of Criminal Law at the University of Passau. His dissertation there deals with criminal law in extreme situations, more specifically with the question of whether it is permissible to kill in order to save lives. The work played an important role in the evaluation of...
