

Expert on Leadership, Branding, Execution & Corporate Management

Reinhard Dischner

Reinhard Dischner is a visionary manager, a passionate doer, but above all he is one thing: human. His clients are corporate boards, managing directors, entrepreneurs, marketing and sales teams, as well as young academics who are making their first experiences as managers. As the son of an entrepreneur, Reinhard Dischner (born in 68) was also born with this gene. After studying economics in Germany and Spain, he began his career as the youngest trainee and then shop manager at Peek & Cloppenburg. He made the leap to international terrain at GAP Inc. in the USA. He enjoyed further education at...
