

Founder & CEO of Futurepreneur

Kerstin Heuer

Kerstin Heuer is the founder and CEO of Futurepreneur, a social enterprise that successfully engages in entrepreneurship education to foster a society full of drive and entrepreneurial spirit. Since 2012, she has been committed to inspiring and activating young people in Germany. Through the development and implementation of individual business ideas according to the SDGs, individual energies, potentials and ideas are discovered and intrinsically motivated within a few days. Some of the core objectives are problem-solving skills, drive, creativity and entrepreneurial spirit. Thus, Futurepreneur empowers young people to take responsibility as life entrepreneurs and future shapers for their own life...
