

Author, Presenter & Communications specialist

Julia Reichert

Julia Reichert was born in Hamburg on May 29, 1993, studied German and French philology in Potsdam and Paris, then taught German to refugees and completed her master's degree in Cognitive Neuroscience of Language in San Sebastián in 2019. There she worked in a language lab and published her first book with the publishing house DuMont. Since then she lives in Munich and works as an author, communication trainer and hotel manager. She writes for Spektrum der Wissenschaft, Überreuter and AZ, among others. At the age of 11, she stood on a stage for the first time in front of...
