

Expert Generation Z & Book author

Felix Behm

Felix Behm has been working with the younger generation for over 10 years and is recognised as one of the leading GenZ experts. Originally an employee of a company in the healthcare sector with 3,500 employees, he has also performed numerous functions between schools and business. He was not only a career guidance coach and thus directly involved with young people in schools, but also a long-standing member of various examination boards and organisations that deal with the young generation and the world of work. In 2016, Felix Behm set up his own business and advised companies in various sectors...
