

Futurologist, Sociologist, Scientist, Author & Publicist

# Prof. Dr. Thomas Druyen

Thomas Druyen works as a scientist, author, speaker, manager and publicist. He is a full university professor in the fields of age and generation sociology, future psychology, wealth psychology, health management and family business. He has maintained a media presence for more than 20 years. Druyen has also contributed his knowledge to other cultural change institutions. For example, he was vice-president of the International Club of Budapest, board member of the Swiss Peter Ustinov Foundation or Head of Communications of the Helmut Horten Foundation. In 2019 and 2020, he also led a project of the Chinese Confucius Family in Europe...
