

Co-Founder & Co-CEO of Empion, Expert on HR, Tech & AI in Recruiting

Dr. Annika von Mutius

Dr. Annika von Mutius is Co-Founder & Co-CEO of Empion, a Berlin-based HR tech startup that uses an AI-based headhunting system to match applicants and companies based on skills, values and personality traits. Annika von Mutius studied at WHU and in Paris and received her PhD on individualization models in mathematics. She worked for a robotics startup in Silicon Valley before starting her own company. Annika was recently named to the "Forbes 30 Under 30 Europe" list in the technology category. Because of her passion for research, she regularly publishes on Artificial Intelligence in the Human Resources market and speaks...
