

Expert Economy & Finance

Prof. Alex Edmans

Alex Edmans is Professor of Finance at London Business School. He is an expert in purposeful business, sustainable finance and responsible investing; diversity, equity and inclusion; critical thinking and group decision making; practical investment strategies; the psychology of finance; the use and misuse of data; and time management. Alex Edmans has a unique combination of deep academic rigour and practical business experience. He is particularly noted for his ability to present complex concepts in non-technical language and an engaging, dynamic manner. Alex Edmans has spoken at the World Economic Forum in Davos, testified in the UK Parliament, and given the...
