

Pilot, CEO Alaska Floats & Skis, Expert on Leadership, Teamwork & Focus

Missy Lee

Missy Lee, CEO Floats & Skis Inc. in Alaska, grew up in an aviation business in Alaska and spent a lot of time in the air with her father, Don Lee, one of the best-known bush pilots in the United States. She was always a curious child and was constantly asking him questions about the instruments on the plane. Missy Lee was dying to know what it all meant. Don Lee never told her. Instead, he said, "You are a visual pilot, focus on your horizon. The view from the plane tells you everything you need to know. You have..."
