

Expert on Corporate Culture, Organizational Culture & Inclusion, Author & Entrepreneur

Jitske Kramer

Jitske Kramer inspires her audiences with her extensive knowledge of cultures from different parts of the world. Jitske is an Expert on Corporate Culture, Organizational Culture, Diversity & Inclusion, Author & Entrepreneur. As an anthropologist, she gathers wisdom and insights from different tribes, village communities and people and draws fascinating conclusions for leadership and organisational structures. Her main goal is to make the (working) world a better place. In her lectures, she talks about how cultures influence the development of people and how people in turn shape cultures. She draws on the insights she has gathered during her travels. With...
