

Entrepreneur, Moderator, Host & Journalist

Franca Lehfeldt

Franca Lehfeldt is one of the ambitious capital city journalists and media personality of a new generation. As former chief reporter for politics for RTL magazines and chief reporter and presenter for the news channel WELT, she became known throughout Germany. Today she is the owner of a communications and branding agency.. Franca Lehfeldt: "The European single market doesn't work with a four-day week and from a home office." Franca Lehfeldt: Business, Economy, Politics & Society. As a keynote speaker and panel participant, she knows her way around current topics of our time. As a moderator she knows the background...
