

Expert for Voice & Communication

Inga Paulsen

Learn from communication coach Inga Paulsen how to train your voice and body language for an effective appearance. Give your message character and impact, whether as an entrepreneur, manager or speaker. Employees want guidance and appreciation through an authentic and clear way of communicating. Do you want to inspire and motivate your audience in an entertaining yet moving speech? Inga Paulsen shows you how to convey effective messages in business communication, with the help of your expressive voice. "Listeners love liveliness and hate boredom. They don't remember clever content for that reason, but a good message that is charismatic and..."
