

Business & Retail Expert & Sustainability CEO

Jeremy Schwartz

Jeremy Schwartz is the former CEO and Managing Director of well-known consumer goods and retail companies such as Coca-Cola, L'Oréal, The Body Shop and Pandora. As a business expert, he sustainably increases the performance of individuals and teams. Jeremy Schwartz, the inventor of Coke Zero, draws on his leadership roles where he inspired teams to turnaround Pandora and Sainsburys and innovate sustainability initiatives delivering in excess of \$20 billion of shareholder value. This he combines with a prediction of the future. Schwartz's authority and reputation on sustainability comes from his roles as Chairman of Kantar's Sustainability and Diversity Transformation practice,...
