

Member of the German Parliament, Federal Chairwoman of the Young Economic Council of Germany, Politician & Author

Caroline Bosbach

Caroline Bosbach is Member of the German Parliament. She is Federal Chairwoman of the Young Economic Council of the CDU, author and speaker on the economy, energy, sustainability and intergenerational justice. She studied economics with a Master's degree in Berlin, then moved to the private sector as a management trainee and then worked as a strategy consultant in a communications agency. At the same time, she lectured at the Cologne Business School. This was followed by a move into the political arena. Caroline Bosbach worked at local and federal level as a political advisor, later for the CDU/CSU parliamentary group...
