

Ex-professional Footballer, Coach, Sports Business & TV Expert

Tim Borowski

Even as a young child, Tim Borowski wanted to become a professional footballer. After a total of 236 Bundesliga games for SV Werder Bremen and FC Bayern Munich and 33 caps for the German national team, he now looks back on his career with great gratitude and humility. Tim Borowski was able to celebrate numerous successes, but also learnt how to deal with pressure, setbacks and defeats. This has shaped him positively as a professional athlete and as a person. He prefers to share his experiences in moderated talks, but also in lectures. Book Tim Borowski as a guest speaker...
