

Founder & Creator of Shazam, Entrepreneur, Inventor & Tech Investor

Chris Barton

Chris Barton is an inventor, entrepreneur and tech investor. His best-known creation is Shazam, the app that changed the way the world discovers music and laid the groundwork for the consumer AI industry we know today. In his speeches, Chris shares his “Start From Zero” thinking method of questioning assumptions and challenging conventional wisdom. His amazing story and storytelling completely captivate audiences and inspires them to make big things happen in their organizations – to create magic in defiance of the obstacles. Chris Barton Lecture topics Create your own Shazam magic Disrupt Your Thinking. Defy Barriers. Inspire Delight. Chris Barton…
