

Surgeon, Founder, Author, Next generation healthcare, Female Empowerment

Dr. Johanna Ludwig

Dr. Johanna Ludwig is a surgeon, founder and consultant for digital health. She works as a trauma surgeon and orthopaedic surgeon at the BG Klinikum Unfallkrankenhaus Berlin. Dr. Johanna Ludwig, a pioneer at the intersection of medical excellence and innovative change, has acquired medical knowledge and human experiences from leading hospitals like the Boston Children's Hospital to the most remote corners of our planet, such as the island of Kiribati. This versatile surgeon, founder, and author, with an impressive journey that led her from the prestigious University of Oxford to the ranks of the "30 under 40" expert network selected...
