

Presenter for events, conferences, congresses & TV, Resilience coach

Sabine Bianchi

Sabine Bianchi moderates events, panel discussions, conferences, TV and video productions, and online formats with empathy, professionalism and humour. She brings 30 years of experience in moderation. Sabine Bianchi began her career under the name Sabine Egger, serving as a 'weather fairy' on ARD's 'Wetter im Ersten,' a program attracting over one million viewers per episode. Her role included numerous live broadcasts on the ARD morning news program and on morning shows across various Swiss radio stations. She later held positions as a news and talk presenter, producer, and journalist at Eastern Switzerland Regional Television (tvo), and served as a...
