

Change expert at thyssenkrupp Kommunikation, Expert for Transformation, Generative AI & Ethics, Development & Empowerment

Leonie Weber

Leonie Weber is a speaker who likes to break away from conventional, dry knowledge transfer and instead focusses on inspiring her audience in the long term. She succeeds in this above all because she is truly passionate about her topics. In her role at thyssenkrupp, she deals with topics relating to culture, change and communication in addition to managing projects. With her research work on flow states, her broad academic background and various additional qualifications such as coach, consultant and SCRUM master, she has a solid foundation of experience. Her professional career spans a broad spectrum from marketing to the...
