Global Self-leadership Expert, Coach & Author

Andrew Bryant

Andrew Bryant, CSP, is regarded as the world’s leading expert on self-leadership in the age of AI. He explains why the ability to lead oneself is becoming a crucial factor for success for leaders, teams and organisations in the age of artificial intelligence. Andrew Bryant is the founder and CEO of Self Leadership International, a Certified Speaking Professional, an executive coach and the author of five books. His seminal academic work, Self Leadership (Bryant & Kazan, McGraw-Hill, 2012), is cited in more than 200 studies. His latest book, POTENTIAL-IZE: How Leaders Unlock Human Potential in the Age of AI, was…
