

Retail Innovation Expert

Marilyn Repp

Out of the comfort zone, into the future! Retail expert Marilyn Repp is driving the industry forward. She accompanies companies into the digital future. Marilyn Repp is regarded as one of the most important thought leaders in the German retail industry. She is a sought-after speaker, panellist and author of numerous columns. She analyses trends in terms of their future potential and asks the crucial question: Is this the future or can it go away? "The future is a mindset. Sustainability means being open to change. And change is the only answer to an ever faster changing world." Marilyn Repp...
