

Leadership-Expert, Author, Consultant & Executive Coach

Mette Johansson

Mette Johansson (MBA, CSP, GSF, PCC) is an award-winning speaker, author and consultant. Mette Johansson has worked in leadership positions for multinational companies for over 15 years and founded MetaMind (based in Singapore and Dubai). MetaMind is a training company that offers its services in the areas of leadership transformation, culture change and employee engagement. The company addresses your systems and processes as well as the skills and mindset you need to succeed. MetaMind supports the success of organisations by aligning vision, strategy, culture and leadership behaviour. 'We need leaders who have the confidence to lead in any situation.' Mette...
